Effects of Smoking Model

Description

Effects of Smoking Model

Simply place a cigarette that you provide in the mouth of the Smoking Man and draw smoke into his lungs using the syringe pump included.

Graphically demonstrate the impact of smoking on the lungs.

Includes detailed teacher and student guides that provide extensive background information on the dangers of smoking as well as scenarios to test various cigarette brands for tar content under various conditions.

The results will amaze you as you watch his lungs start to darken after only a few short puffs.
