

Product Code . EL-MLE-10400

Circle Kit

Description

Circle Kit

Circle Kit is provided with a set of three circular discs having the different radius.

This kit helps to understand the relationship between the radius, diameter, and their circumference.

By this kit, a child can explore the concept of circles, concentric circles, circumference of circle and derivation of Pi.

These foam circles are durable as also easy for teachers to teach the concepts in the class.

It is manipulative that clears the apprehensions about diameter and radius of a circle.

Diameter: 15 cm, 10 cm, 5 cm
