

Product Code . EL-M-10984

Biological Microscope

Description

Biological Microscope

LED illumination system that uses either an outlet (adapter included) or three AA batteries (not included). It offers three magnification settings, 64x,160x,640x.

This is a perfect microscope for students to learn science. It comes with full optical glass elements, metal framework, a 360 degree rotatable monocular head, with up and down Illumination: top and bottom LED lights which are mains powered. Light brightness adjustment.

This is an ideal microscope for academics in home school and from students in elementary to high school.

Features:

High Resolution Offering Sharp Images.

Three Levels of Magnification: 64x,160x,640x.

Plain Stage with Clips and Stain Resistant Finish.

Single Lens Condenser and Disc Diaphragm.

Fully Coated Optical System.

All Metal Mechanical Components.

Precise Ground Glass Lens.

Solid Metal Frame with Stain Resistant Enamel Finish.

Focusing Control Knobs on Both Sides.

Full Optical Glass Elements.

Educational Lab Equipments are leading manufacturers, suppliers of Biological Microscope. Contact us to get high quality Biological Microscope for schools, colleges, universities, research labs, laboratories and various industries.
