

Product Code . EL-TWL-11831

Data Acquisitions Solutions

Description

Data Acquisitions Solutions

Description:-

For ease of connection they have screw terminals.

DAQ are useful for sensing and controlling Analog and Digital signals of any process control application.

Educational Lab Equipments offers a wide range of DAQ products that enable process monitoring.

All pins are multifunction and user can change the operation of particular pins as per the requirements.

They are available with either a USB and/or Ethernet interface.
