

Product Code . EL-MMTM-11952

Radial Drilling Machine

Description

Radial Drilling Machine

Description:-

Our radial drill machine is well known as a “rigid, rugged and reliable” machine.

Sustained accuracies over a long period, low maintenance and ownership cost have given it the optimal mix to become the preferred brand over the last decade.

Features:-

Massive and rigid construction.

Ergonomically grouped controls for operating convenience.

Electrohydraulic clamping provided for drill head, arm & sleeve.

Light centering of the spindle.

Precise depth release.

Shock-free engagement of taps through clutch and spindle reverse for withdrawals.

A machine with drilling capacity 80 mm / 100 mm also available.
